Objectives for August 27 and 28:
All students are encouraged to attend in-person on their respective day, whether they have chosen on-campus or remote learning. The following schedule is designed to distribute Chromebooks to all students, meet teachers, receive course information, share specific health and safety protocols for school, and provide students with orientations and trainings for effectively learning in a hybrid model.

What about students who have chosen remote learning?
These 2 days will occur on-campus only without a remote component. All students are encouraged to attend on their respective day, if possible. For students that are not able to attend or are uncomfortable attending on these days, there is an alternative to pickup Chromebooks individually from the office on Monday, August 31st, since school will not be in session. Students who are unable to attend on their designated day can pick up their Chromebook and informational packet from the WHS Office on Monday, August 31st between 8:00 am – 4:00 pm.
